APPOINTMENT OF ARCHITECT OF RECORD

On May 25, 2010, the Assumption Heritage Trust Foundation Corporate Board of Directors unanimously approved the appointment of Studio G+G as the Architect of Record. Studio G+G is headed by Jason Grossi who is an Assumption parishioner. Jason is a graduate of the University of Illinois where he received the Thesis Award in Architecture for his specialization in sacred architecture with a thesis titled, "The Sacred Space of the Franciscan Friary". He opened his firm in 2003 with his partner Alexander Gagkayev. Another member of the team is Sebastien Martincic who is also an Assumption parishioner. The team has a passion for historical architecture and with their ties to the parish, they are anxious to restore Assumption Church, a building of national historic significance.

THE BASILIAN FATHERS ARBOR INITIATIVE MEETING - May 20, 2010

The first meeting for this initiative was held at La Zingara, hosted by the Honorary Chair, Fr. Joe Redican, CSB and the Chair, Rocco Tullio.

It was an enjoyable evening attended by Assumption College High School alumni who were asked to "Tell the Story" of the influence the Basilian Fathers had on their lives. The official launch of this initiative will be held on September 21st at the Hiram Walker Reception Centre. We are expecting a very large turn out for this evening in support of the legacy of the Basilian Fathers at Assumption.
